LEARNING POWER

Model : LEP

Manufacturer : Precision

As young children we had a natural appetite for learning. It was great fun. We started out eagerly in school, but soon most of us developed a negative attitude toward learning. Since learning is a life-long process and vitally important to successful living, you'll love how this tape removes mental blocks, and puts the fun back into learning. It helps you quickly, painlessly, enthusiastically and successfully learn whatever subject you choose. (Good for people ages 5-105).

This program is part of our LOVE TAPES series. It features an extremely powerful and effective guided meditation/hypnosis program and two convenient and versatile subliminal versions. It's available in your choice of several formats:

CD: 3-in-1 - Includes the audible program plus powerful Music & Ocean Subliminal programs

Tape: 2-in-1 w/Music Subliminal - Includes the audible program on side 1 and the Music Subliminal program on side 2

Tape: 2-in-1 w/Ocean Subliminal - Includes the audible program on side 1 and the Ocean Subliminal program on side 2
