OVERCOMING WORRY

Model : OWO

Manufacturer : Precision

Mark Twain said, "I've had a lot of problems in my day--most of which never happened." It's been said that worry is interest paid in advance on a debt you may never owe. When people say, "Don't worry," it doesn't help much, does it? It takes a little more than that. This tape lets you take a good look at the process we go through when we worry, points out how useless it is and helps you do something about it. You will be a happier, more positive, worry-free person.

This program is part of our LOVE TAPES series. It features an extremely powerful and effective guided meditation/hypnosis program and two convenient and versatile subliminal versions. It's available in your choice of several formats:

CD: 3-in-1 - Includes the audible program plus powerful Music & Ocean Subliminal programs
